

## Announcement / Press release of 17<sup>th</sup> May 2018

Dresden / International: Contemporary Art

### STATEMENT Andrea Hilger to the current discussion:

*"It is true that we are exploring opportunities elsewhere for a new home for the OSTRALE Biennale, too. The 'City of Modernity' Chemnitz would indeed be a fascinating place for us. Our quest for alternatives, is a necessary consequence of a longstanding fight, to secure the dimension and quality as well as the further professionalization of the OSTRALE, among other things with suitable premises."*

The OSTRALE Biennale takes place on the 12<sup>th</sup> season as OSTRALE from 28<sup>th</sup> June to 29<sup>th</sup> September 2019 under the guiding idea of "-ism".
